Hi Lorena,

The money has been appropriated. I'm confident you will receive it, but it will take 2-3 months. There is no way to expedite it. Contract Administration takes a significant amount of time, this is not unusual. He was on a September deadline and they will be able to meet that. They are trying to rush the contract through review.

What do you think?

Thank you,

Nicole,

It was nice speaking to you today. As we discussed, I've been having email correspondence with Andrew Kasdin regarding the contract with the Department of Cultural Affairs. I have also completed and returned all of the various forms that the City requires in order to execute a contract.

It is my understanding that the grant was funded for \$50,500, but that it had a longer approval process because it was over \$50,000. Since we will start having performances starting this Thursday, I wanted to make sure that everything is on track. I was told this week that it may be up to two more months before we receive it.

Can you please find out where we are in the process and confirm it's only a matter of time before we receive the contract. As I previously mentioned, we will be having performances starting this Thursday through the end of the year.

Thank you for your assistance.

Best regards,
